## WPM Continuous Improvement Plan

Our faculty continuously strives to improve instruction and provide a quality education for our students. The current CIP can be viewed in its entirety on our school website. There is a link on the home page to our plan. The plan is also available for review in the school office. If you need additional information about our CIP, please contact the school office 256-734-5904. The website is [wpm.ccboe.org](http://wpm.ccboe.org).

## Cullman County Champions!!!!!!

### Congratulations Volleyball Team and Girls' Cross Country Team

**Congratulations to the volleyball team, football team, cheerleaders, band members and cross country runners for an outstanding season.** We are extremely proud of your accomplishments this year and the way you represented WPMS!

### Basketball Season is underway.

Good luck to the teams. Check out their schedule on our website. [wpm.ccboe.org/athletics](http://wpm.ccboe.org/athletics)

### Holiday Fun Folly

On Thursday, December 7, the PE department will host a fun game day. Tickets will be sold for 50¢ each. Games will be either 1 or 2 tickets and prizes will be awarded. This is a fundraiser for the Archery Teams.

### Art Class Project

The Art class is currently working on a tile mosaic Warrior head which will hang in the lunchroom. They are using left over tile from when our building was built. They have had some items donated but are in need of the following: tan colored tiles suitable for the Indian face, heavy duty construction glue, medium gray colored mortar, clear glaze and stain for the wood or monetary donations to help purchase those things. Anything would help!

## Absentee Reminder!!!

Parents please remember to always send an excuse when your child has been absent. All doctors' excuses and only **3 parent notes per semester** will suffice for excused absences. After the **3rd** unexcused absence you will be referred to the CCBOE truancy officer. Thank you for your help with this problem.

As we finish up first semester, we need students to remain focused and working hard on their grades. Make sure to stay on top of homework and test dates by checking teacher websites at [wpm.ccboe.org/faculty](http://wpm.ccboe.org/faculty). Also, the INow at home is available to check grades for all classes. Additional information for this service is on the school website.

*We hope you have a wonderful Thanksgiving! Take time to relax, unwind, and spend time with your family!*
